

— Thank you for buying the Franklin Dining Bench

**Before you start:****Unpack carefully**

- Take care when unpacking and assembling your bench as damaged or scratched items cannot be returned
- Do not use sharp objects
- Be careful not to dispose of the enclosed assembly kit
- Please retain all packaging until you are 100% happy with your bench

**Before and during assembly**

- Make sure all items are accounted for and clearly laid out before starting
- Make sure you have enough space to assemble the bench safely
- Place all parts on a soft and flat surface to avoid damage
- Put all bolts in before fully tightening
- Do not use power tools or overtighten any fittings as this can cause damage
- Carefully trim off any loose threads on upholstered benches

**Caution**

- Keep small parts, plastic bags and film away from children

Spring Washer 13mm

**E** x 16

Flat Washer 18mm

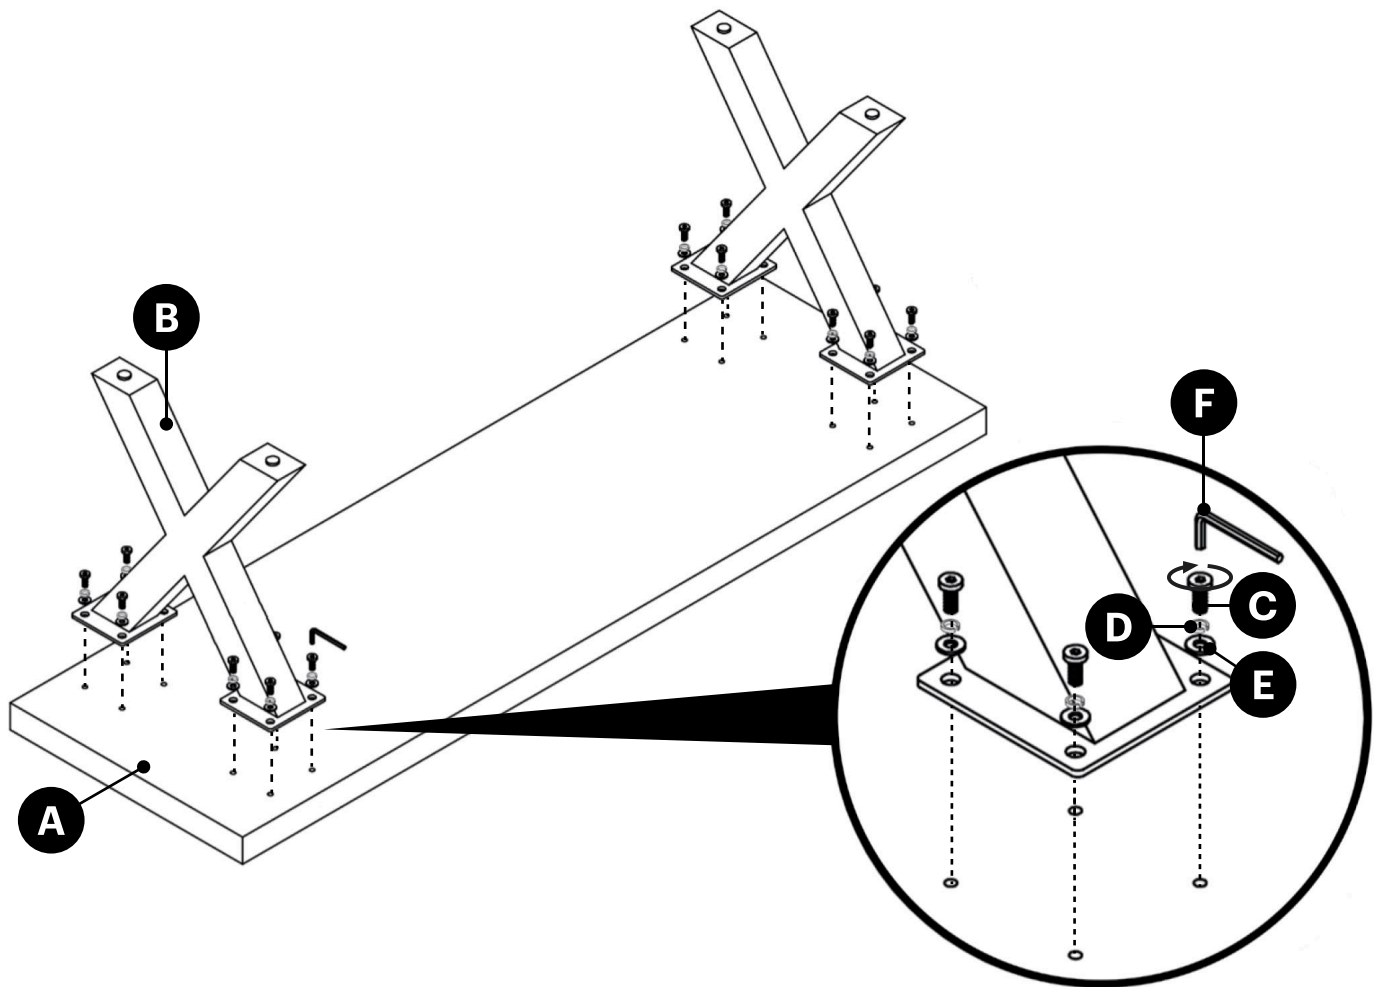

**F** x 1

Allen Key 5mm

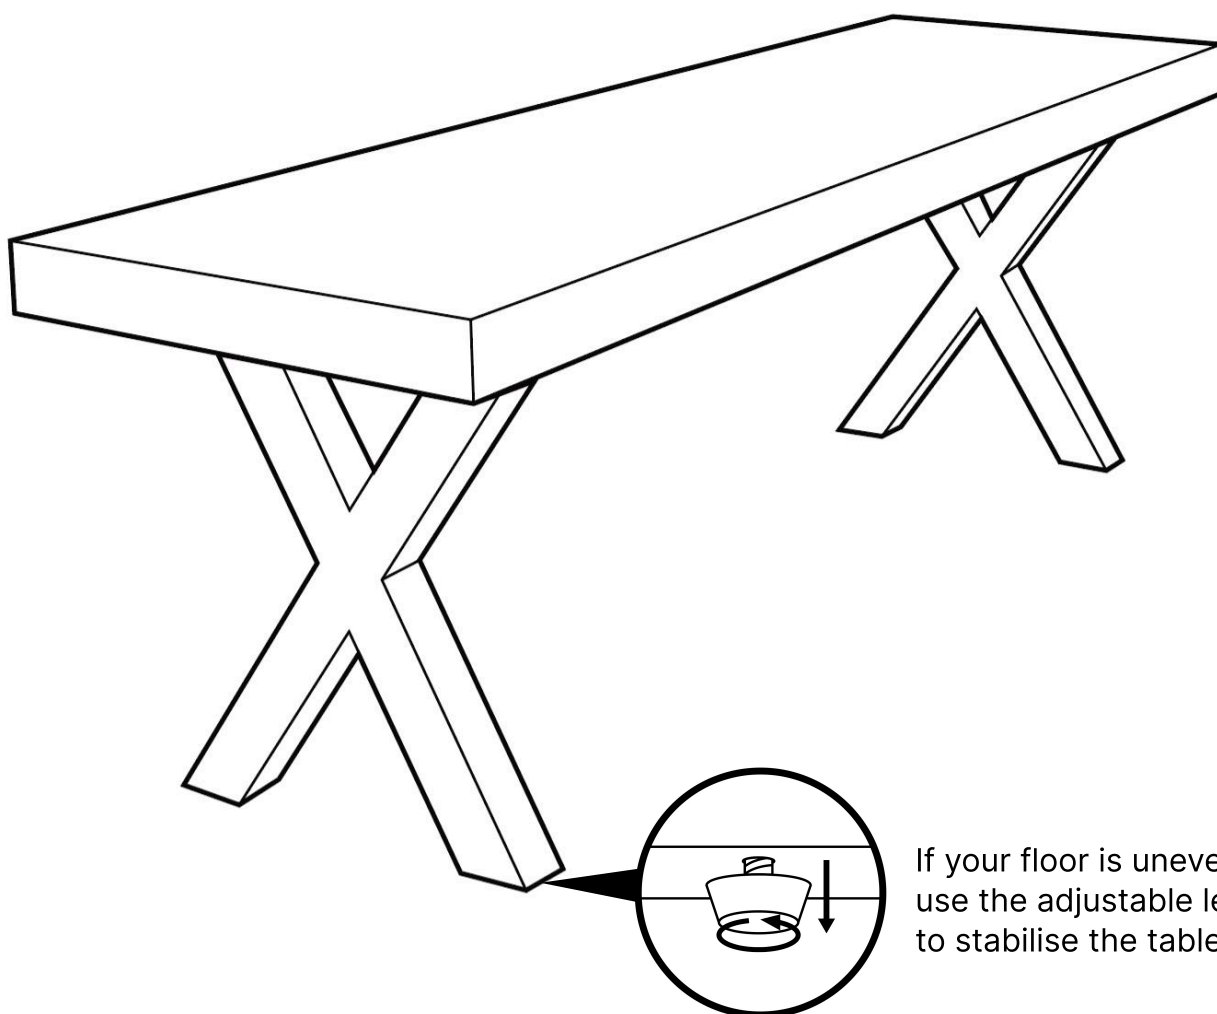

- 1** Place the seat on a soft, flat surface. Attach the legs to the seat as shown.

**2**

If your floor is uneven,  
use the adjustable levers  
to stabilise the table.

— **Important information - please read before use**

**Upholstery and appearance**

- Every effort has been made to ensure each piece of furniture matches
- The materials used may have variation in colour and grain – this is a natural characteristic of the material and not a fault
- If the upholstery is creased on delivery, allow it to settle at room temperature
- Creasing in seats and back cushions may appear over time – this is a natural characteristic of the material and not a fault
- Upholstery can have a pile in the weave and look different from various angles and lighting – this is a natural characteristic of the material and not a fault

**Cleaning your furniture**

- Do not use household cleaning products, bleaches, solvent based cleaners, detergents, corrosives, scourers or abrasives, which can damage surfaces and upholstery
- Dust and vacuum your furniture on a weekly basis with the appropriate upholstery attachment
- Use a clean, soft, lint-free cloth slightly dampened with water to remove dirt or body oils
- For tougher stains, use a soft cloth with a little non-alkaline, non-detergent soap

**Caring for your furniture**

- Remove spills immediately – do not rub stains and spills, blot them first
- Avoid placing damp clothing, wet towels or printed newspapers directly on the upholstery
- Avoid placing hot cups or plates directly onto the furniture as this can damage the upholstery
- Avoid strong sunlight (such as through patio doors and windows), as this can cause discolouration, fading or surface degradation over time
- Avoid strong sunlight on chrome finishes as this can magnify the heat of the sun
- Avoid sitting on the edge of the cushions as this can cause distortion or permanent wear
- Do not sit on the arms
- Avoid sharp objects such as studs, buckles, jewellery, heels, toys or a pet's claws on the upholstery as this can cause damage
- Greasy and oily hair products can damage upholstery
- Light-coloured upholstery can be at risk of discolouration due to dye transfer from dark or strong-coloured clothing, cushions and throws

**To avoid structural damage**

- Do not stand or jump on the bench
- Do not rock or lean back on the bench
- Do not drag the bench when moving, instead lift and place carefully
- Do not use the bench unless all the bolts and screws are fully tightened
- Regularly tighten the bolts to avoid damage and maintain stability and strength

This bench is for indoor, residential use only.
