

— Thank you for buying the Renzo Dining Chair

**Before you start:****Unpack carefully**

- Take care when unpacking and assembling your chair as damaged or scratched items cannot be returned
- Do not use sharp objects
- Be careful not to dispose of the enclosed assembly kit
- Please retain all packaging until you are 100% happy with your chair

**Before and during assembly**

- Make sure all items are accounted for and clearly laid out before starting
- Make sure you have enough space to assemble the chair safely
- Place all parts on a soft and flat surface to avoid damage
- Put all bolts in before fully tightening
- Do not use power tools or overtighten any fittings as this can cause damage
- Carefully trim off any loose threads on upholstered chairs

**Caution**

- This chair is designed to seat one person only
- Keep small parts, plastic bags and film away from children

Left Leg

**D** x 1

Right Leg

**E** x 1

Front Rail

**F** x 4

Screw M4x45mm

**G** x 4

Bolt M6x13mm

**H** x 2

Bolt M6x40mm

**I** x 1

Allen Key 5mm

- 1** Attach the backrest by slotting it into the left and right legs. Insert the bolts as shown, **but do not fully tighten.**

- 2** Attach the front rails to the left and right legs. Insert the bolts as shown, **but do not fully tighten.**

- 3** Place the chair upright on a flat surface. Hold the chair and move the backrest side to side until the legs are level. Then fully tighten all bolts.

- 4** Attach the seat to the frame, ensuring the narrower part of the seat base is pushed firmly against the backrest, making sure there are no visible gaps. Insert the screws as shown and tighten with a Phillips screwdriver. Please note there are no predrilled holes in the seat base.

— **Important information - please read before use**

**Upholstery and appearance**

- Every effort has been made to ensure each piece of furniture matches
- The materials used may have variation in colour and grain – this is a natural characteristic of the material and not a fault
- If the upholstery is creased on delivery, allow it to settle at room temperature
- Creasing in seats and back cushions may appear over time – this is a natural characteristic of the material and not a fault
- Upholstery can have a pile in the weave and look different from various angles and lighting – this is a natural characteristic of the material and not a fault

**Cleaning your furniture**

- Do not use household cleaning products, bleaches, solvent based cleaners, detergents, corrosives, scourers or abrasives, which can damage surfaces and upholstery
- Dust and vacuum your furniture on a weekly basis with the appropriate upholstery attachment
- Use a clean, soft, lint-free cloth slightly dampened with water to remove dirt or body oils
- For tougher stains, use a soft cloth with a little non-alkaline, non-detergent soap

**Caring for your furniture**

- Remove spills immediately – do not rub stains and spills, blot them first
- Avoid placing damp clothing, wet towels or printed newspapers directly on the upholstery
- Avoid placing hot cups or plates directly onto the furniture as this can damage the upholstery
- Avoid strong sunlight (such as through patio doors and windows), as this can cause discolouration, fading or surface degradation over time
- Avoid strong sunlight on chrome finishes as this can magnify the heat of the sun
- Avoid sitting on the edge of the cushions as this can cause distortion or permanent wear
- Do not sit on the arms
- Avoid sharp objects such as studs, buckles, jewellery, heels, toys or a pet's claws on the upholstery as this can cause damage
- Greasy and oily hair products can damage upholstery
- Light-coloured upholstery can be at risk of discolouration due to dye transfer from dark or strong-coloured clothing, cushions and throws

**To avoid structural damage**

- Do not stand or jump on the chair
- Do not rock on the chair, or lean back with only two legs on the ground
- Do not use the chair unless all the bolts and screws are fully tightened
- Regularly tighten the bolts to avoid damage and maintain stability and strength

This chair is for indoor, residential use only.
