Spring Summer 2018

Culture pop Spring Summer 2018

Fun, vibrant and playful, this trend is all about celebrating pops of colour and bringing mod designs and textures into a contemporary setting.

Rebecca Snowden, Interior Style Advisor at Furniture Choice, discusses how to bring this look into the home: "We've been seeing many retro trends coming back in style, but this is one of the few that really manages to tie in both the old and the new."

"Anchoring your space with a timeless piece with modern touches, such as a sofa with chrome legs or a glass dining table, is a good start. From there, it's about adding bursts of print and colour, whether it's on the walls with some art, or on the floor, with an eye-catching rug."
