## Christmas 2019 Autumn Winter

**This Christmas, deck the halls with lush velvet, marble and chrome, as guests wine and dine in a cosy, luxurious home. Rebecca Snowden, Interior Style Advisor at Furniture Choice, shares 3 easy decor tips to achieve a glamorous home setting for the season.**

"Invest in a statement piece like a lush velvet sofa that will continue to impress long after the holidays are over," advises Rebecca. "Velvet is a gorgeously rich and sensual material that instantly evokes a luxurious vibe." With such a show-stopping sofa, a few simple accents are all that's needed to further glam up the space.

Take Christmas dinner parties up a notch with a bold, beautiful marble dining table that adds a layer of luxury to any setting. "White marble not only brightens up a room, it's incredibly durable and its beauty will never go out of style," she says. When it comes to dressing up a table for the holidays, "Accessorise with metallics - use candle holders, napkin rings and even cutlery in gold or brass for glamour and warmth."

Finally, go the extra mile and wow guests with simple but special personal touches. "Luxury is in the little details. Including the recipient's photo as part of a gift wrap, or even just displaying their name, is a gesture that's sure to be remembered and appreciated," says Rebecca. "Christmas is a time of celebration and making merry with loved ones, so remember to have some fun too while decorating your home for the season!"
