## Deco luxe

**A trend that needs no introduction, Art Deco is known for its all-out, distinctive personality and luxurious vibe. This style darling is also incredibly timeless, with classic details that can be adapted alongside most modern trends of today.**

Rebecca Snowden, Interior Style Advisor at Furniture Choice, shares her tips on capturing the 1920s with a contemporary twist. "If you're looking to jazz up your home with a pop of glamour and charm, the Art Deco style is your go-to. It's a versatile trend that can be sampled in many ways, whether you choose to go for a polished, neutral look or a bolder aesthetic at home."

"As always, beginning with a strong foundation is a great start, and velvet sofas are a great centrepiece to style around," advises Rebecca, "A classic Chesterfield would be a perfect candidate for this take, but you could also experiment with other modern designs for a different vibe."
