[Lisbon Dining Table with Renzo Taupe Leather Chairs](#) - £399.99 - [www.furniturechoice.co.uk](http://www.furniturechoice.co.uk)

As open plan dining continues to trend, and customers look for unique centrepieces to complete their dining space, [FurnitureChoice.co.uk](http://FurnitureChoice.co.uk) has curated a collection of sleek and ultra-modern dining tables and chairs.

Featuring architectural lines, high gloss finishes and luxe textures such as marble and glass, these dining tables are ideal for defining and highlighting an elegant dining space. Their sharp silhouettes also offer a clean, precise look in an open plan home.

[Lisbon Chrome and Glass Dining Table](http://www.furniturechoice.co.uk) - £249.99 - [www.furniturechoice.co.uk](http://www.furniturechoice.co.uk)

“With a modern, open plan dining area, it’s more important than ever to have a space that isn’t visually cluttered, and is anchored by a stylish centrepiece,” says Rebecca Snowden, Interior Style Advisor at [FurnitureChoice.co.uk](http://FurnitureChoice.co.uk). “Tables with sculptural pedestals, especially in finishes such as chrome and glass, immediately achieve this effect since they’re both eye-catching and simple.”

Peake Grey Gloss and Leon Grey Leather Chairs - From £469.99 - [www.furniturechoice.co.uk](http://www.furniturechoice.co.uk) - *Launching August 2020*

This collection features tables in a variety of sizes without compromising on the aesthetic: from large tables for more guests to smaller, more intimate designs. Styles in a high gloss or marble finish pack a punch and set the tone of the space.

All the tables have also been carefully paired with distinctive, sophisticated chairs in an array of colours and finishes for a thoroughly contemporary look.

"A tonal dining set, especially in neutral tones, can be a very chic approach to take when designing an open plan dining space," Rebecca explains. "However, sometimes a touch of colour can also really elevate the look. When working with cooler finishes such as silver and gloss, moody jewel tones can warm up the room and add personality, without losing that edge."

[Ancona Marble Dining Table](https://www.furniturechoice.co.uk) - £299.99 - [www.furniturechoice.co.uk](https://www.furniturechoice.co.uk),

[Ancona Marble Dining Table with Modena Black Fabric Chairs](https://www.furniturechoice.co.uk) - £499.99 - [www.furniturechoice.co.uk](https://www.furniturechoice.co.uk)

Texture is a key element in this collection, including pairings such as marble and leather for a rich play on contrast. “When working with traditionally luxurious materials such as marble or velvet, looking for ways to have them play off one another is a must,” advises Rebecca. “Contrasting hard, smooth surfaces with soft fabrics, or using both glossy and matte finishes can create balance in a sleek, sophisticated dining room.”
